3.) From here it will take you to the login as seen to the left. Use the KHS username and password provided for you.

4.) Give it a test, search for Kaipoi high school. If you get the message to the right that just means you are not logged in. Please go back to the wireless connections and select **Kaipoi High school** this will take you back to step 3.)

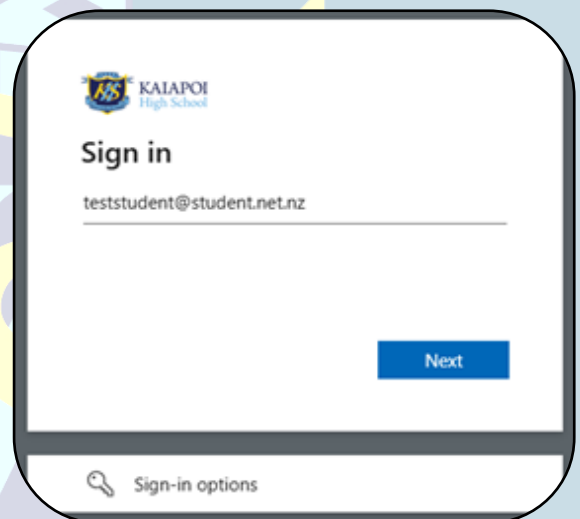

Logging into your KHS student email

1.) Search google.com and click sign in in the top right.

2.) This will take you to the page to the left where you type in your KHS email address which is:

username@student.net.nz

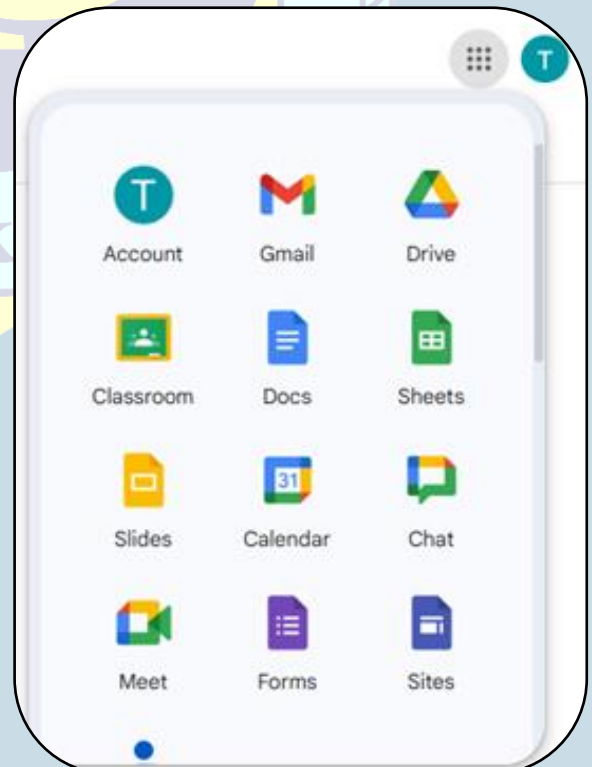

3.) It will then take you to this page where you must type in your email again and then it will ask for your password.

4.) Once you are logged into your email you can access all the things you will need from selecting the icon in the top right like the image to the right.

The main ones you will use are:

- Gmail
- Drive
- Classroom
- Docs
- Sheets
- Slides

SchoolBridge

Your tutor and subject teacher will be able to help you with your login details

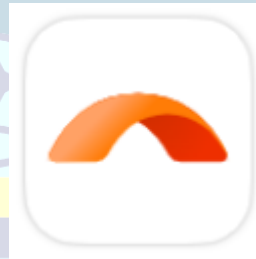

Your student email also lets you login to SchoolBridge

SchoolBridge has a dashboard that you can open on your laptop to view your timetable and daily notices, plus course selection.

Opening SchoolBridge on your laptop:

<https://kaiapoi.bridge.school.nz/>.

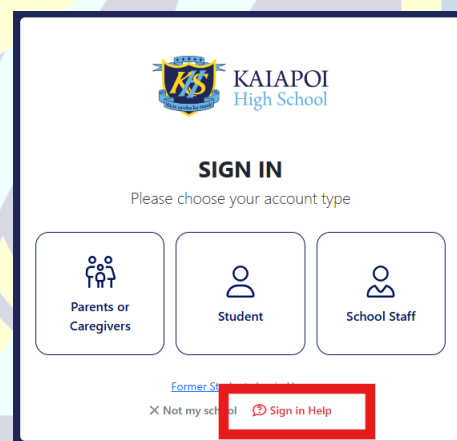

Choose the 'Student' login option, and then select the 'Google' login option.

Downloading the SchoolBridge app to your phone:

<https://kaiapoi.bridge.school.nz/app>

For use out of school hours of course!
